1 P R O C E E D I N G S

8 UC OPERATOR: And then the button?

9 UNKNOWN MALE 1: The button is down here.

10 (Chatter.)

11 UNKNOWN MALE 2: How do you want to do this?

12 You're going to talk to Mr. Ghanem and that tape

13 (inaudible).

14 UC OPERATOR: Say come back in 15 minutes.

15 UNKNOWN MALE 2: Okay.

16 UC OPERATOR: I'll go like this.

17 UNKNOWN MALE 2: (Inaudible.)

18 UC OPERATOR: All right. Turn on the volume?

19 UNKNOWN MALE 2: Yeah.

20 UC OPERATOR: This shit is fucking crazy.

21 (Long background noise until)

22 UC OPERATOR: Hi, good morning.

23 WAITRESS: Good morning.

24 UC OPERATOR: Room 522.

25 WAITRESS: 522.

Undercover Meeting 12/8/15

3

1 UC OPERATOR: Yeah, thank you.

2 WAITRESS: Good morning.

3 UC OPERATOR: Good morning. Coffee.

4 (Long background noise)

5 UC OPERATOR: Excuse me. Do you have a phone
6 here I can call a guest?

7 WAITRESS: Yes. What's your number?

8 UC OPERATOR: 531.

9 WAITRESS: Dial it?

10 UC OPERATOR: Good morning. How are you? Good.

11 I'm in the breakfast area, so whenever you want to come
12 down. No problem. See you. Bye. Thank you very much.

13 WAITRESS: You're welcome.

14 (Long background noise)

15 WAITRESS: Do you want more coffee?

16 UC OPERATOR: Yes, please. Do you have creamer
17 too?

18 WAITRESS: Excuse me?

19 UC OPERATOR: Creamer for coffee?

20 WAITRESS: Yes, yes, of course.

21 UC OPERATOR: Thank you.

22 (Long background noise.)

23 MR. GHANEM: Good morning.

24 UC OPERATOR: Good morning. How are you?

25 MR. GHANEM: Did you order yet?

Undercover Meeting 12/8/15

4

1 UC OPERATOR: Not yet. I was waiting for you.
2 MR. GHANEM: You ready?
3 UC OPERATOR: Yeah.
4 MR. GHANEM: It's easy to identify you.
5 UC OPERATOR: From a mile away.
6 MR. GHANEM: Did you hear the news.
7 UC OPERATOR: What news?
8 MR. GHANEM: The shooting.
9 UC OPERATOR: Oh. The whole world is on fire.
10 I'm watching NFL.
11 MR. GHANEM: You're watching NFL? Good.
12 UC OPERATOR: Did you -- did you hear, Dallas?
13 MR. GHANEM: What about it?
14 UC OPERATOR: Pulled a last second 54 yard field
15 goal to beat the Redskins 16 to 19.
16 MR. GHANEM: Today?
17 UC OPERATOR: Well, yeah, Monday night.
18 MR. GHANEM: Monday night, Monday night. Yeah.
19 WAITRESS: Good morning, sir. Some coffee or tea
20 for you?
21 MR. GHANEM: Coffee.
22 WAITRESS: Coffee.
23 MR. GHANEM: Do you have some water?
24 WAITRESS: Water? Yes.
25 MR. GHANEM: (Inaudible.)

FOR OFFICIAL USE ONLY

Undercover Meeting 12/8/15

5

1 UC OPERATOR: Yeah. 54 yard field goal.

2 MR. GHANEM: They're not doing so good.

3 UC OPERATOR: No. They're 4 and 8.

4 MR. GHANEM: Yeah, they lost to last time to
5 Falcons.

6 UC OPERATOR: The Falcons they lost to? Yeah,
7 they've been losing left and right. You know Romo broke
8 his collarbone again.

9 MR. GHANEM: Ah.

10 UC OPERATOR: Twice. I mean --

11 MR. GHANEM: (Inaudible) only.

12 UC OPERATOR: Yeah. I mean, that's bad. Poor
13 guy, man, I feel bad for him.

14 MR. GHANEM: So you are (inaudible) Donald Trump?

15 UC OPERATOR: Huh?

16 MR. GHANEM: Mr. Trump.

17 UC OPERATOR: Trump is going crazy, man.

18 MR. GHANEM: Did you hear what he said?

19 UC OPERATOR: That he doesn't want to let any
20 Muslims in, right? That's crazy. I mean, how you can
21 close the door on everybody, right.

22 MR. GHANEM: Somebody advised him wrong so they
23 (inaudible). Because he could have been -- he could have
24 been a good player.

25 UC OPERATOR: Yeah. But I think he's just trying

Undercover Meeting 12/8/15

6

1 to, you know, instigate, right.

2 MR. GHANEM: (Inaudible.) *convince the Jews*

3 UC OPERATOR: Yeah. It will be interesting to
4 see who is going to emerge from the Republican side.

5 MR. GHANEM: I think Bush.

6 UC OPERATOR: Bush? I don't know, man. The way
7 he burnt -- I don't know if you saw one of the debates.
8 Supposedly what's his name, Rubio, is his friend, you know,
9 like protégé. He was the mentor.

10 MR. GHANEM: Did they have, what do you call it,
11 debate? They (inaudible) debate?

12 UC OPERATOR: Yeah, yeah, yeah. They've been
13 debating for a while now.

14 MR. GHANEM: Who -- who is in front?

15 UC OPERATOR: I mean, the front runner right now,
16 at least for now, is Trump on the Republican side.

17 MR. GHANEM: He's the front runner?

18 UC OPERATOR: Yeah.

19 MR. GHANEM: Who is second front runner?

20 UC OPERATOR: You know, after him Ted Cruz I
21 think is -- I don't know. I wouldn't say he's second.
22 It's a mix. It's a mix between the surgeon, Ben Carson,
23 Ted Cruz, Rubio. The three of them are making noise at
24 different levels, different issues. But Trump is still in
25 --

Undercover Meeting 12/8/15

7

1 MR. GHANEM: Who do you like, who do you like?

2 UC OPERATOR: I don't, I don't like any of them.

3 It's -- I don't know. I guess I don't get into it until a

4 couple of months before the election, you know, when the

5 candidates are going at it from, you know, different

6 parties. But right now the infighting and trying to see

7 who is going to win doesn't interest me.

8 MR. GHANEM: How about --

9 UC OPERATOR: What's that?

10 MR. GHANEM: -- the Democrats?

11 UC OPERATOR: Oh, I think Hillary is going to

12 take it.

13 MR. GHANEM: You think?

14 UC OPERATOR: I think so.

15 MR. GHANEM: Is she popular?

16 UC OPERATOR: She seems to be the popular choice.

17 Bernie Sanders maybe, but I think Hillary is the

18 frontrunner.

19 MR. GHANEM: I think she will be burn them if she

20 (inaudible).

21 UC OPERATOR: Yeah.

22 MR. GHANEM: (Inaudible) America. (Inaudible.)

23 UC OPERATOR: Well, things have changed right,

24 times are changing.

25 MR. GHANEM: Yeah. But if Hillary takes over I

Undercover Meeting 12/8/15

8

1 think America is going to really go down.

2 UC OPERATOR: Going to go down?

3 MR. GHANEM: Yeah.

4 UC OPERATOR: Because of the foreign issues?

5 MR. GHANEM: America has (inaudible). It needs a
6 strong man.

7 UC OPERATOR: A strong man, like Reagan?

8 MR. GHANEM: Reagan was strong in his own time.

9 UC OPERATOR: Yeah.

10 MR. GHANEM: (Inaudible.) *No internet back then*

11 UC OPERATOR: That's true.

12 MR. GHANEM: The Cold War.

13 UC OPERATOR: There were two super powers and
14 nobody else dared to, you know, make noise.

15 MR. GHANEM: Exactly. Nobody knows what's going
16 on. I think George Bush ^{himself} is too (inaudible). He flex --

17 UC OPERATOR: His muscle, yeah. He did.

18 MR. GHANEM: He made everybody kneel down.

19 UC OPERATOR: Recognize, yeah.

20 MR. GHANEM: His way of saying you're either with
21 us or against us. He said it in his stupid way and scared
22 the shit out of ^{everyone} (inaudible). You have not -- no place to --
23 - you know, you can't stay ^{I'm} in Switzerland, ^{I'm} that neutral.

24 UC OPERATOR: The Iranians were caught off guard
25 ~~by~~ he mentioned like the axis of evil. Iran, Iraq, North

Undercover Meeting 12/8/15

9

1 Korea, like when did Iran come into the equation. But it
2 is what it is.

3 *Alghanistan* MR. GHANEM: It was the whole war in Iraq and
4 (inaudible) created out of nothing. But that's flexing
5 muscles you know. It doesn't matter (inaudible). They
6 could probably bring that Iraq is the fifth largest power
7 in the world. They forgot Russia, they forgot China, they
8 forgot India, and --

9 UC OPERATOR: Even France.

10 MR. GHANEM: England, France, Germany.

11 UC OPERATOR: Germany. Japan.

12 MR. GHANEM: But (inaudible) Ukraine had more
13 (inaudible). But, you know, it's the commercial before the
14 movie.

15 UC OPERATOR: Yeah.

16 MR. GHANEM: It's how you see it. That's -- this
17 *Republicans* is (inaudible). You probably can come, I call it blood
18 with Republicans. They come with the blood. They create
19 more, absolutely --

20 UC OPERATOR: Animosity, yeah.

21 MR. GHANEM: -- than the (inaudible) guy can say
22 let's create jobs, let's -- (inaudible).

23 So you ask me for my business, I like
24 Republicans. I like stupid people like Bush. (inaudible).

25 UC OPERATOR: Huh. Well, we'll see who is going

Undercover Meeting 12/8/15

10

1 to get elected.

Eight years, it's been

2 MR. GHANEM: ~~It is~~ Obama (inaudible) mistake.

3 For your work Obama is good.

4 UC OPERATOR: He's good?

5 MR. GHANEM: Yeah.

6 UC OPERATOR: Yeah, I mean, he did straighten out
7 or tighten the sanctions against Iran, which in turn --

8 MR. GHANEM: Not only for that. No war and
military companies have no sales
9 everybody (inaudible) ~~don't have service~~. They give you
10 anything.

11 UC OPERATOR: You would be surprised. Yeah,
12 you're right. You're right.

13 MR. GHANEM: Yeah, this is where (inaudible) draw
14 the line.

15 UC OPERATOR: But now did you read that U.S. is
16 running out of missiles to fight ISIS?

17 MR. GHANEM: What's that?

18 UC OPERATOR: They're running out of missiles and
19 rockets and bombs.

20 MR. GHANEM: Who told you that?

21 UC OPERATOR: It was in the news.

22 MR. GHANEM: The news?

23 UC OPERATOR: No, no, no. I mean, they're
24 putting it out like, hey, we're running out of ammunition.

25 MR. GHANEM: You (inaudible).

Undercover Meeting 12/8/15

11

1 UC OPERATOR: No, no, I'm just saying that's what
2 they're putting out there. Push for more money to be
3 allocated, right, their defense.

4 MR. GHANEM: Maybe they're saying ~~we~~ ^{to Obama} (inaudible)
5 ~~we~~ need more budget. But I will answer honest to God do you
6 think that ^{military, U.S. military} (inaudible) ~~can't~~ sleep if they don't have
7 storages for five years?

8 UC OPERATOR: No, of course not. How could --
9 the budget, the national budget goes to defense.

10 MR. GHANEM: I ask you a second question. Do you
11 think any military, U.S. military, would allow that to
12 happen?

13 UC OPERATOR: Of course not.

14 MR. GHANEM: Third question. Do you believe
15 these stories?

16 UC OPERATOR: It's propaganda.

17 MR. GHANEM: I'm just trying to repeat to you
18 same bullshit (inaudible).

19 UC OPERATOR: Yeah, yeah, yeah.

20 MR. GHANEM: My friend, what (inaudible) means.
21 In America when they fought with Iraq they made Iraq like
22 (inaudible).

23 UC OPERATOR: Yeah.

24 MR. GHANEM: You see, you see Baghdad at night
25 () it's like a daytime from the ~~right~~ (inaudible). You

light at night from the bombs

Undercover Meeting 12/8/15

12

1 tell me --

2 UC OPERATOR: Yeah.

3 MR. GHANEM: -- (inaudible.)

4 UC OPERATOR: Of course not.

5 MR. GHANEM: It's (inaudible). That's bullshit.

6 It doesn't pass by me. It doesn't fly. See, always joking
7 my friend. A lot of them are -- they laugh because Iraq,
8 you know, cries. You know, I know when people say
9 (inaudible), you know, make peace all over, we need to live
10 in peace and we're tired of ISIS, we're tired of this,
11 we're tired of that.

12 I said to the guys I (inaudible) wake up every day
13 in the morning. First two things I do at the same time,
14 coffee, the cigarette is ready. I go to the TV and press (
15 on the news. I go on news. If there is peace I go, if
16 there is war I ^{wake up} ~~will come~~. I'm happy. There is more
17 business for me.

18 UC OPERATOR: Yeah.

19 MR. GHANEM: It doesn't matter where is the
20 business, where is the war. Even if it's in Haiti I will
21 fly there.

22 UC OPERATOR: You are the original lord of war.

23 MR. GHANEM: I love war because it's business,
24 you know.

25 UC OPERATOR: Yes.

Undercover Meeting 12/8/15

13

the creation of

1 MR. GHANEM: And don't tell me I am ~~creating~~ the
2 war, god's ~~creating~~ *creator of* war. God (inaudible). *makes war happen*

3 UC OPERATOR: You just must make sure people
4 don't run out of supplies.

5 MR. GHANEM: I am the mailman. I am the mailman
6 only.

7 UC OPERATOR: Speaking of mailman, remember Karl
8 Malone, that was his nickname.

9 MR. GHANEM: Who?

10 UC OPERATOR: The basketball player.

11 MR. GHANEM: Yes, yes.

12 UC OPERATOR: And he came over to the Lakers and
13 tried to win that one championship ring, couldn't.

14 MR. GHANEM: ~~He was~~ *Who* just retired?

15 UC OPERATOR: Kobe is going to retire.

16 MR. GHANEM: Kobe is?

17 UC OPERATOR: It's about time, man. He's been,
18 he's been injured for the past three years.

19 MR. GHANEM: Kobe playing for?

20 UC OPERATOR: The Lakers. But I think this is
21 like season 20 for him. You want to get a bite to eat?
22 I'm going to call a cab to pick us up.

23 MR. GHANEM: You are (inaudible).

24 (Background noise)

25

Undercover Meeting 12/8/15

14

1

2 MR. GHANEM: I talked to (inaudible).

3 UC OPERATOR: (Inaudible), right? Right away.

4 MR. GHANEM: What, you need help? My Greek
5 friend is here.

6 (Background noise)

7 MR. GHANEM: What are you eating my friend? You
8 don't eat food? There's food.

9 UC OPERATOR: I know. I'm going to eat.

10 MR. GHANEM: What are you going to eat?

11 UC OPERATOR: Probably some croissant with jelly.

12 I've been eating a lot of sweets lately, man.

13 MR. GHANEM: Really?

14 UC OPERATOR: Yeah.

15 MR. GHANEM: Normal.

16 UC OPERATOR: I got to cut down, man.

17 MR. GHANEM: Your body crave (inaudible).

18 UC OPERATOR: Yeah.

19 MR. GHANEM: Have I ever told you that? No, man.

20 People eat a lot of sweets.

21 UC OPERATOR: Yeah. I've been eating a lot of
22 cheese here too. Every time I come back to Greece my
23 cheese intake goes up.

24 MR. GHANEM: What do you eat back home?

25 UC OPERATOR: Omelet, feta, feta cheese with --

Undercover Meeting 12/8/15

15

1 you know, have you had Iranian bread, barbari? Its' really
2 good bread.

3 MR. GHANEM: (inaudible)

4 UC OPERATOR: It's like ethnic Iranian. They
5 call it barbari.

6 MR. GHANEM: Uhm.

7 UC OPERATOR: It goes great with like cheese and
8 tomatoes and cucumbers.

9 MR. GHANEM: Habibi. You know habibi. I love
10 bread altogether. When I go, my favorite is Iranian then
11 Indian.

12 UC OPERATOR: Indians do it too.

13 MR. GHANEM: Both.

14 UC OPERATOR: Yeah. Curries that the Indians
15 have. Love it. Tikka Masala.

16 MR. GHANEM: I am not good to this (inaudible)
17 even if -- I don't care, even black people I like. You
18 understand? I'm not going to listen to ideas of ~~terror~~ ^{Arab},
19 Iranian. I don't follow it. I enjoy my life. If the food
20 is good in Tel Aviv I'll go and eat it and come back.

21 UC OPERATOR: Tel Aviv. I hear it's a nice city.

22 MR. GHANEM: Very nice.

23 UC OPERATOR: Why can't we all just get along,
24 huh?

25 MR. GHANEM: Yeah.

Undercover Meeting 12/8/15

16

1 UC OPERATOR: It's sad.

2 MR. GHANEM: Are you Muslim? Are you?

3 UC OPERATOR: Yeah.

4 MR. GHANEM: Have you ever read the Koran?

5 UC OPERATOR: Not in depth.

6 MR. GHANEM: Have you ever read any of the
7 chapters of the Koran?

8 UC OPERATOR: When I was younger I was --I had it
9 read to me, but to tell you that I read Arabic it would be
10 a lie.

11 MR. GHANEM: Let me tell you a very important
12 chapter of the Koran.

13 UC OPERATOR: Yeah.

14 MR. GHANEM: When he talks about the Jews. They
15 give a heck of a time to all the prophets. Do you think
16 they would get along with us? It's very stupid
17 (inaudible). Don't go very far. It's not -- it's not us
18 who's fighting the Jews. They're fighting each other. You
19 know what my ^{methodology} (inaudible) tell everybody? You want to get
20 rid of the Jews make peace with them. They'll get busy
21 with themselves and each other and kill each other.

22 Now they have a direct enemy called Arab ^{and}
23 Muslims. They are joining each other, working together.
24 Take that off their hands and don't give them the chance.

25 UC OPERATOR: And then you'll see what happens.

Undercover Meeting 12/8/15

17

1 MR. GHANEM: Exactly. It's nature of humans.

2 UC OPERATOR: Yeah. Did you sleep well last
3 night?

4 MR. GHANEM: Huh? I was so tired that I was up
5 every (inaudible). I was at the airport at 8:00.

6 UC OPERATOR: 8:00 in the morning. This airport
7 or in Egypt to fly out? What time did you get here,
8 yesterday?

9 MR. GHANEM: My flight was at 7:15. What -- an
10 hour and 30 minutes.

11 UC OPERATOR: And Egypt is the same time zone,
12 right?

13 MR. GHANEM: Uh-huh.

14 UC OPERATOR: So what like 12, 12:30 over here?

15 MR. GHANEM: Huh?

16 UC OPERATOR: By, 12:00, 12:30 you were here?

17 MR. GHANEM: Uh-huh. I got into a good taxicab.

18 UC OPERATOR: Yeah.

19 MR. GHANEM: He let me smoke.

20 UC OPERATOR: You're like, my friend, I need to
21 smoke.

22 MR. GHANEM: He said no problem. I took a nap,
23 not (long inaudible). He took me to the wrong hotel. He
24 brought me here. He won't charge me the extra.

25 UC OPERATOR: I see.

Undercover Meeting 12/8/15

18

1 MR. GHANEM: Very nice guy.

2 UC OPERATOR: Is there another Crowne Plaza here?

3 MR. GHANEM: No. The Royal Crown.

4 UC OPERATOR: He misunderstood.

5 MR. GHANEM: So going back, if you're ever
6 (inaudible).

7 UC OPERATOR: Yeah, Iranian cuisine is really
8 good. I enjoy it, different stews and kabobs.

9 MR. GHANEM: Rice.

10 UC OPERATOR: The rice, oh, God.

11 MR. GHANEM: The bread.

12 UC OPERATOR: The bread.

13 MR. GHANEM: And Lebanese I enjoy. Indian's
14 good.

15 UC OPERATOR: And their naan is great.

16 MR. GHANEM: Huh?

17 UC OPERATOR: Naan. Their bread.

18 MR. GHANEM: That chicken. Nader why you never
19 tell your name?

20 UC OPERATOR: I did.

21 MR. GHANEM: Your passport.

22 UC OPERATOR: It's Anthony, Anthony.

23 MR. GHANEM: In the passport? Ah. It's not
24 Nader?

25 UC OPERATOR: It's Anthony but I kept Nader as my

Undercover Meeting 12/8/15

19

1 middle name.

2 MR. GHANEM: Okay.

3 UC OPERATOR: Because it's difficult. You go and
4 you try to talk to some people that have an opinion about
5 Middle East and Iranians and this and that, and the first
6 thing they do they see the name Nader and they're like, oh,
7 where you from. Anthony is more Western. At least you
8 have a chance --

9 MR. GHANEM: Yeah.

10 UC OPERATOR: -- you know, to engage, to
11 maneuver.

12 MR. GHANEM: And your last name?

13 UC OPERATOR: My last name? Kalani.

14 MR. GHANEM: You didn't change it?

15 UC OPERATOR: Change it to what? I mean, it's a
16 pretty mainstream last name. I know --

17 MR. GHANEM: You know what's Kalani in Arab.

18 UC OPERATOR: What's that?

19 MR. GHANEM: Who is the Kalani?

20 UC OPERATOR: In where.

21 MR. GHANEM: In the Islam.

22 UC OPERATOR: No.

23 MR. GHANEM: Very important leader in Islam.
24 The family Kalani.

25 UC OPERATOR: Kalani.

Undercover Meeting 12/8/15

20

1 MR. GHANEM: They are the common -- I forgot
2 (inaudible). You have so much in the religion. The family
3 of Kalani goes back to him about 900 years ago.

4 UC OPERATOR: Interesting.

5 MR. GHANEM: Very important people. We call them
6 holy people.

7 UC OPERATOR: That's funny because ~~it's my~~ *the same*
8 understanding you don't have in the Persian culture, the
9 Iranian culture, the understanding of the importance of the
10 name Kalani.

11 MR. GHANEM: They don't? The name Kalani is
12 Muslim leader, it's not Arab (inaudible). *word*

13 UC OPERATOR: Right, right.

14 MR. GHANEM: He is -- he was very, very holy man
15 and he is the one who carried a lot of the -- what was
16 (inaudible). He's one of the most important leaders.
17 (Inaudible) have his way. I'm trying to remember the name,
18 but it's a very, very, very -- it goes deep in the religion
19 to a point it can get (inaudible), they can get a knife
20 from here and get it out of here. Pick it out.

21 UC OPERATOR: In the state of trance, right?

22 MR. GHANEM: Yeah. They use, what we were
23 talking about --

24 UC OPERATOR: Meditation, deep meditation.

25 MR. GHANEM: Deep meditation, exactly. The

Undercover Meeting 12/8/15

21

1 Kalani Way. It's called the Kalani Way.

2 UC OPERATOR: Interesting.

3 MR. GHANEM: I don't know how you don't know
4 about it. Somebody has not (inaudible) she is Kalani. How
5 your life isn't (inaudible) any problem with it (inaudible)
6 Kalani.

7 UC OPERATOR: Wow.

8 MR. GHANEM: I don't know why you don't know
9 about it.

10 UC OPERATOR: I don't.

11 MR. GHANEM: I have so many friends Kalani, so
12 many friends.

13 UC OPERATOR: You do?

14 MR. GHANEM: Yeah.

15 UC OPERATOR: Originally from -- where did they
16 come from, is it all Persia too or Arabs too? *JORDANIAN*

17 MR. GHANEM: They are Iraqi, Kuwait, Palestinian.

18 UC OPERATOR: All over. Interesting.

19 MR. GHANEM: That's why I'm saying they are not
20 related to a nationality.

21 UC OPERATOR: Sure. Interesting the way you
22 frame your question, like you never changed your name, as
23 if you did a background check on me.

24 MR. GHANEM: No, no. I didn't mean it that way.

25 UC OPERATOR: Yeah.

Undercover Meeting 12/8/15

22

1 MR. GHANEM: I can do a background check, but
2 there is one problem. ~~I don't (inaudible) the people I~~ *I open a red flag on you from the*
3 ~~have, you understand?~~ *people I ask, you understand*

4 UC OPERATOR: Yeah.

5 MR. GHANEM: I will tell you I'm (inaudible)
6 close and (inaudible) friend. His name is Steve Cash. *colleague*

7 UC OPERATOR: Steve Cash?

8 MR. GHANEM: Former CIA. His unit, his team,
9 they're all from FBI, CIA.

10 UC OPERATOR: Retired, retired.

11 MR. GHANEM: One of the services I do with is *due diligence*
12 intelligence service. We do intelligence, we do
13 investigations, internationally(. The government and
14 *companies* (inaudible). I offer the service.

15 UC OPERATOR: You what?

16 MR. GHANEM: I offer the service of my business.

17 UC OPERATOR: Okay. So it's basically exchange
18 of information for money is what it comes down to.

19 MR. GHANEM: Uh-huh. Ultimately, yeah. Right
20 now we are offering the Nigerian Government --

21 UC OPERATOR: Which government?

22 MR. GHANEM: Nigeria.

23 UC OPERATOR: Oh, Nigeria.

24 MR. GHANEM: We are doing two things.

25 (Inaudible) and Iraq everybody was involved in the selling

Undercover Meeting 12/8/15

23

1 of Nigerian oil. (Inaudible) money and I would take all
2 the money and then for lawyers to freeze their money until
3 (inaudible) that way. The president is leaving now
4 (inaudible).

5 UC OPERATOR: How big of a problem do you think
6 Boko Haram is in the region?

7 MR. GHANEM: Boko Haram? It's going to be big.
8 If they don't if they can't stop of it it's going to be
9 big, you know. Have you traveled to Africa?

10 UC OPERATOR: Have I what?

11 MR. GHANEM: Africa.

12 UC OPERATOR: Have I traveled through Africa?

13 No.

14 MR. GHANEM: (Inaudible) tribal there. For
15 example --

16 UC OPERATOR: No middle class.

17 MR. GHANEM: Two worlds, two fights in Africa,
18 the Christian and the Muslims. The Christian spend money,
19 convert the Muslim to Christian with money. Showing you
20 that God is helping you because you're a Christian. Some
21 Muslims are (inaudible).

22 UC OPERATOR: They are doing it.

23 MR. GHANEM: Very small. You are dealing with a
24 very poor people. Somebody come through with money and
25 I'll tell you a lie and tell you that God send it to you

Undercover Meeting 12/8/15

24

1 Don't you believe in that God?

2 UC OPERATOR: Yeah, no matter if you're Christian
3 or Muslim, right. It can go both ways.

4 MR. GHANEM: Boko Haram is doing that in
5 villages. Not only that, (inaudible) you see. Boko Haram
6 is (inaudible) to all the countries around Nigeria. That's
7 going to be a major problem with--

8 UC OPERATOR: Nigeria is a huge country.

9 MR. GHANEM: Nigeria?

10 UC OPERATOR: Yeah.

11 MR. GHANEM: Africa is huge.

12 UC OPERATOR: Yeah, but by comparison Nigeria is
13 probably the biggest, if not one of the biggest, right, on
14 the continent.

15 MR. GHANEM: It's not one of the biggest, no.
16 Libya is bigger.

17 UC OPERATOR: Libya is bigger, yeah.

18 MR. GHANEM: So --

19 UC OPERATOR: Yeah, Libya is huge. Libya is
20 huge.

21 MR. GHANEM: Yeah. One of my group people, you
22 know, Libya and Egypt it's not -- (inaudible) size. It's
23 not the same (inaudible). (inaudible) Egypt is (inaudible)
24 the Eastern part. One of the guys in the group yesterday
25 they were (inaudible) ISIS is becoming very strong in

Undercover Meeting 12/8/15

25

1 Libya. We have to join with the Russians to make a team to
2 fight the ISIS in Libya.

3 So I sent to him, and this is much the same
4 (inaudible), I thought you had (inaudible), you know. ISIS
5 and Libya is as far from you as Mecca (inaudible), you
6 know. Going to Mecca (is much faster for you than going to
7 that part of Libya. And the more the (inaudible). And the
8 (inaudible) that's a long way.

9 UC OPERATOR: Huh.

10 MR. GHANEM: He said -- he said, yes, I'm getting
11 to be aware that they are (inaudible). I haven't seen the
12 East and the Western part (inaudible).

13 Well, somebody -- see, this is what I'm saying.
14 For somebody in the Middle East or Egypt is (inaudible)
15 they are close to getting us. What do you mean close? But
16 they need 900 kilo driving. You know, what's 900 kilo
17 driving? This is exactly between Amman (and (inaudible)
18 Cairo and Jeddah or (inaudible). It's a long distance.
19 But the problem is not the distance, the problem is people
20 are changing very fast with the money. Sometimes some way
21 this Boko Haram is having a lot of money. Where is the
22 resources, that's the question.

23 UC OPERATOR: Stolen oil.

24 MR. GHANEM: Huh?

25 UC OPERATOR: Stolen oil, no?

Undercover Meeting 12/8/15

26

1 MR. GHANEM: Could be.

2 UC OPERATOR: Blood diamonds, who knows. I mean,
3 that region is full of natural resources.

4 MR. GHANEM: If Boko Haram become big
5 (inaudible). By comparison they are broke.

6 UC OPERATOR: That's crazy.

7 MR. GHANEM: Boko Haram they go to villages,
8 small villages. Anybody against them they kill on the
9 spot, anybody

10 UC OPERATOR: It's terrible.

11 MR. GHANEM: You say you are with them, they pour
12 money on you, they make your life different in the village.

13 UC OPERATOR: Give you an AK-47 and, a bag full
14 of cash?

15 MR. GHANEM: What's that?

16 UC OPERATOR: They give you an AK-47 and a bag
17 full of cash and now they own you.

18 MR. GHANEM: Yes. Money and arms. They give
19 your kids, your daughters (inaudible) for doing things for
20 them. Not only sex, cooking baking

21 UC OPERATOR: It's horrible.

22 MR. GHANEM: They're creating an army (inaudible)
23 out. Now I am a very big believer ISIS is their strategy
24 can be (inaudible) at the highest level of (inaudible).
25 It's completely Israeli (inaudible). (inaudible) Muslims.

Undercover Meeting 12/8/15

27

1 UC OPERATOR: Yeah. One thing that is not very
2 clear to me at this moment and looking at it from, I don't
3 know, the optics of living in the U.S. and not being in the
4 middle of the conflict, why are you killing your own
5 Muslims? I mean, why you are destroying the history behind
6 the civilization that the Muslim culture has embraced for
7 hundreds of years, you know.

8 MR. GHANEM: Yeah.

9 UC OPERATOR: It's just bad public relations if
10 nothing else.

11 MR. GHANEM: We have -- we have (inaudible) about
12 ISIS. Why do they not fight the Israelis? Only fight
13 Muslims. We say what, why ISIS not fight the Israelis.
14 The answer is when they became Muslims we start.

15 UC OPERATOR: Wow.

16 MR. GHANEM: ISIS only killing Muslims.

17 UC OPERATOR: It's horrible.

18 MR. GHANEM: I have a belief that, it is my
19 belief, that is Muslims fighting strategies Israelis
20 (inaudible). I don't believe (inaudible) and there's
21 Israeli intelligence.

22 UC OPERATOR: But are they or are we giving them
23 too much credit?

24 MR. GHANEM: (Inaudible.)

25 UC OPERATOR: The Israelis and their

Undercover Meeting 12/8/15

28

1 intelligence. Because the propaganda that Israeli
2 intelligence is strong, I'm sure they are, but with
3 conspiracy theories and with I don't know opinions that
4 circulate in social settings like this, it just perpetuates
5 and becomes like a propaganda machine for them that they
6 don't have to do anything except to sit back and allow it
7 to become its own like energy. Oh, yeah, Israeli
8 intelligence is so strong. They're fueling conflict in the
9 region.

10 I see your point, but Muslims are not stupid, you
11 know. You can manipulate maybe, you know a tribe here, and
12 a city there, and a village here. We outnumber them.

13 MR. GHANEM: Outnumber them by far.

14 UC OPERATOR: By far.

15 MR. GHANEM: There are people all over, all over,
16 all across over them with trouble, doing nothing, just
17 being over there. But that's not the case my friend.

18 UC OPERATOR: Yeah, I know. It's easier said
19 than --

20 MR. GHANEM: You have sheep. What do you call
21 the guy who control all the sheep?

22 UC OPERATOR: The shepherd?

23 MR. GHANEM: That shepherd is the boss in our
24 country and we are sheep. We have nothing to do. He gets
25 his orders from them, so he will stay as shepherd. Do you

Undercover Meeting 12/8/15

29

1 understand?

2 UC OPERATOR: Yeah, I understand.

3 MR. GHANEM: That's the difference in politics
4 and (inaudible). The shepherd, there is a shepherd there
5 as well. They're all shepherds.

6 UC OPERATOR: Huh.

7 MR. GHANEM: And in Jordan for example, Egypt for
8 example, what's the population of Egypt?

9 UC OPERATOR: I think you mentioned 90 million.

10 MR. GHANEM: And one guy is controlling it.

11 UC OPERATOR: Sisi. How do you like Sisi?

12 MR. GHANEM: In which direction?

13 UC OPERATOR: Overall, compared to --

14 MR. GHANEM: There's no overall. For business
15 he's good, for religion no.

16 UC OPERATOR: Is he a mainstream?

17 MR. GHANEM: He is for Israel.

18 UC OPERATOR: Is he? Is he -- because he
19 recognizes that, you know, it's better to have a civilized
20 relationship with them or -- I doubt he fears Israel.

21 MR. GHANEM: The Muslim brothers called on him
22 (inaudible) Israel is going to (inaudible) to Egypt.

23 UC OPERATOR: So he wants to control it before it
24 gets out of control.

25 MR. GHANEM: And now (inaudible) partner. You

Undercover Meeting 12/8/15

30

1 know my check, how much is it and (inaudible).

2 UC OPERATOR: Huh.

3 MR. GHANEM: He's working (inaudible).

4 UC OPERATOR: The Israelis?

5 MR. GHANEM: Yeah. You know, he's worried about
6 security.

7 UC OPERATOR: He was probably set up by them, huh?

8 MR. GHANEM: It was set up not probably, it was
9 set up by the Israelis.

10 UC OPERATOR: I thought it was the Brits but --
11 who knows, the Brits have their hands in everything too.

12 MR. GHANEM: Now I want to give you the story of
13 how the Americans, the western (look at the Israelis.

14 Imagine there is three, four brothers living
15 together. Each one have kids. They live around each
16 other. One of these brothers he is a son of a bitch. He's
17 a mean, mean dude. And he had a boy. His boy is probably
18 5 years old and all his cousins are 15 and 20 -- above 15
19 years old. But his family has always -- he's a
20 troublemaker..

21 The cousins father is the son of a bitch. None
22 of the kids dare talk to him because his father could
23 create a problem. They're scared of his father. Even
24 though he's a midget, you know, he's five years old --

25 UC OPERATOR: He can always bring his father into

Undercover Meeting 12/8/15

31

1 the fight.

2 MR. GHANEM: And his father create some problems.
3 So the big brothers try to avoid any conflict with their
4 brother. The kids try to avoid conflict with their cousin.
5 It's making everybody's life miserable.

6 That says it all. They are not strong. They are
7 supported by the Americans, by the British, by the French.
8 (Inaudible.)

9 UC OPERATOR: Huh.

10 MR. GHANEM: And (inaudible) with one of these
11 and the Arabs are going like that. Let the Israelis go to
12 conflict. Islam is going to change probably if we don't
13 have any conflict. We will fight with Israel (inaudible)
14 the Americans (inaudible). Do you understand? So they
15 keep us busy with that and then let this busy boy enjoy his
16 life.

17 Don't think about it less or more. All the
18 different (inaudible) that Israeli have technology they
19 brought them from somewhere, and they thought they are
20 believers in medicine, they are believers in (inaudible).
21 No, you are (inaudible) American citizen. You live and you
22 were born in America.

23 As an example, and you lived all your life in
24 America, you created something new. All of a sudden that
25 (inaudible) is Jewish, all of a sudden (inaudible) home.

Undercover Meeting 12/8/15

32

1 Your home is (inaudible) Moses is from, you know?. The
2 story of Israelis ready to be (inaudible). But the
3 (inaudible), because again this shepherd he's feeding his
4 soldiers to make all the sheeps--

5 UC OPERATOR: Busy with something, huh.

6 MR. GHANEM: You have that, we have the dog
7 (inaudible) story. From what I say, I'm not stronger than
8 them. God knows how He created these people or created
9 this. He knows how to deal with them. Does Putin
10 (inaudible)?

11 UC OPERATOR: What's that?

12 MR. GHANEM: Putin (inaudible).

13 UC OPERATOR: What does that mean?

14 MR. GHANEM: Putin.

15 UC OPERATOR: Putin, oh, yeah, yeah.

16 MR. GHANEM: What do you think of him?

17 UC OPERATOR: I think he's a powerful man.

18 MR. GHANEM: You think?

19 UC OPERATOR: I think so.

20 MR. GHANEM: I'll tell you what.

21 UC OPERATOR: I think he loves his country and
22 everything he does is to maintain or. Better yet bring
23 back the --

24 MR. GHANEM: I think Putin is the most stupid
25 person in the world.

Undercover Meeting 12/8/15

33

1 UC OPERATOR: You think so? Why?

2 MR. GHANEM: He never learned from the Cold War.

3 UC OPERATOR: In what sense?

4 MR. GHANEM: How they're going to make him shoot
5 himself. I want to tell you the worst country in the
6 world, not United States (inaudible). (Inaudible) If you
7 ever wear dark glass you will always get lost. England the
8 most (inaudible) people in the world, the most untrusting
9 people in the world. They are the ones who cannot just
10 leave until they have revenge, they cannot. Even after 50
11 years they will come back to you.

12 England, England (inaudible) America to the
13 (inaudible) language, English mechanism(. My friend Russia
14 is going to be fucked (inaudible) you. Russia is a one man
15 show. America is a system, England is a system --

16 UC OPERATOR: Yeah.

17 MR. GHANEM: -- if the President would die
18 tomorrow in the United States. Would that stop America?

19 UC OPERATOR: No, it will continue, right.

20 MR. GHANEM: Continue normal. There is
21 procedure. Vice President will take over and do the
22 funeral and be sorry and all this but the country will
23 continue. If Putin died tomorrow what's going to happen to
24 Russia?

25 UC OPERATOR: Yeah, because everything he's got

Undercover Meeting 12/8/15

34

1 it's up here, right. It's his decisions. No, in that
2 sense you're right, but that's how the infrastructure is
3 set up, Lenin, Stalin, right.

4 MR. GHANEM: That's why they telling you
5 (inaudible) they're going to make him shoot himself in the
6 head. All of this let them, let them. Forget about the
7 dispute. The system. Me and you, (inaudible)

8 UC OPERATOR: Yeah.

9 MR. GHANEM: You think he can finish ISIS?

10 UC OPERATOR: No, but I --

11 MR. GHANEM: Why?

12 UC OPERATOR: Why is he involved?

13 MR. GHANEM: Why is it he cannot finish ISIS?

14 UC OPERATOR: Because you don't have ground
15 forces on the ground fighting. There's only so much that
16 you can do from the air, right.

17 MR. GHANEM: Is that the case?

18 UC OPERATOR: That's my view. I don't know. I'm
19 not --

20 MR. GHANEM: (inaudible) tell you. Can you
21 finish a lie (phonetic).

22 UC OPERATOR: A lie? It'll continue, right.

23 MR. GHANEM: Can you finish a lie?

24 UC OPERATOR: I don't know. I don't know how to
25 answer to that.

Undercover Meeting 12/8/15

35

1 MR. GHANEM: (inaudible)_alie.

2 UC OPERATOR: So if you take care of a lie here,
3 a lie is going to grow over here.

4 MR. GHANEM: A lie is coming (inaudible). Now
5 it's going to Africa. Now all of a sudden (inaudible) we
6 hear about Al Qaeda. All of a sudden we don't hear
7 anything about Osama Bin Laden (inaudible) all of a sudden.
8 Do you hear about that?

9 UC OPERATOR: It's fallen off -- no.

10 MR. GHANEM: That lies finished.

11 UC OPERATOR: And a new one has begun.

12 MR. GHANEM: Do you believe they killed Osama Bin
13 Laden?

14 UC OPERATOR: I don't know, to be honest with
15 you. I don't know. I like it --

16 MR. GHANEM: Too many questions. I like to ask
17 you the questions. You will know that. Enough not
18 insulting your intelligence.

19 UC OPERATOR: But if they didn't where is he?
20 Did he die a long time ago? Is it a cover up?

21 MR. GHANEM: (Inaudible.) Who is Osama Bin
22 Laden? Who in the fuck is Osama Bin Laden. This midget
23 who's creating the whole problem for the world. Yet he
24 would do that.

25 UC OPERATOR: That's certainly what they want us

Undercover Meeting 12/8/15

36

1 to believe, right.

2 MR. GHANEM: Iraqis are the first power of the
3 world. Do you believe that?

4 UC OPERATOR No.

5 MR. GHANEM: Enough insulting our intelligence.

6 UC OPERATOR: That's true.

7 MR. GHANEM: Now there is business, I'm happy.
8 They are straightforward, they are (inaudible). No problem.
9 All of this no problem. But you know the fact of the
10 matter it's business.

11 UC OPERATOR: It is business.

12 MR. GHANEM: (Inaudible) coffee.

13 UC OPERATOR: And call a cab. How about if we
14 take a smoke outside?

15 MR. GHANEM: Smoke together?

16 UC OPERATOR: Here, and then I'll ask the cab to
17 be here in about ten minutes. We'll walk out. I brought
18 cigarettes.

19 MR. GHANEM: Let me get my jacket.

20 UC OPERATOR: Do you want to go get it?

21 MR. GHANEM: Yeah.

22 UC OPERATOR: Okay.

23 MR. GHANEM: You sitting here?

24 UC OPERATOR: Hello, hi, I would like to order a
25 cab please for Crowne Plaza. About ten minutes please if

Undercover Meeting 12/8/15

37

1 possible. If not we will wait about 15 minutes. That's
2 okay, too, but ten minutes is fine. We're just going to be
3 outside smoking, so thank you. Bye bye.

4 MR. GHANEM: What?

5 UC OPERATOR: Ten minutes.

6 MR. GHANEM: I'll go and get my jacket.

7 UC OPERATOR: I'm going to go outside.

8 MR. GHANEM: I'll smoke in my room and come down.

9 UC OPERATOR: Whatever you want.

10 MR. GHANEM: Or you wait for me. Go get it and
11 come back and we smoke together.

12 UC OPERATOR: No, no, no. I got my cigarette.

13 MR. GHANEM: You wait for me, no?

14 UC OPERATOR: I will wait. No, no, no.

15 MR. GHANEM: You going to smoke ahead of me or --

16 UC OPERATOR: No, no, no. I'll wait. I'll wait.

17 MR. GHANEM: You do smoke together or --

18 UC OPERATOR: We'll go smoke together.

19 MR. GHANEM: Okay.

20 UC OPERATOR: We'll smoke together. Thank you.

21 WAITRESS: Have a good day.

22 MR. GHANEM: (Inaudible.)

23 UC OPERATOR: I know, it's cold.

24 MR. GHANEM: But (inaudible) coffee.

25 UC OPERATOR: Do you have a to go cup or --

Undercover Meeting 12/8/15

38

1 WAITRESS: To go cup we don't have.

2 UC OPERATOR: It's just hot. That's good coffee.

3 MR. GHANEM: (Inaudible) coffee. I'm picking up

4 -- can you make me -- can you ask her to get me coffee?

5 UC OPERATOR: Yeah, yeah, yeah.

6 MR. GHANEM: Yeah, I will let me go get my
7 jacket. (

8 UC OPERATOR: Okay. Perfect, thank you. And
9 that will be his. Do you mind pouring some in here too?

10 WAITRESS: No problem, of course.

11 UC OPERATOR: You are very kind, thank you.

12 WAITRESS: You're welcome.

13 (Background noise.)

14 UC OPERATOR: He's going to come down and we're
15 going to step outside, have a smoke and then get in the
16 car. So the time -- yeah. Okay, all right. Bye.

17 (Background noise)

18 MR. GHANEM: (Inaudible.) They don't smoke.

19 UC OPERATOR: They don't smoke? The whole city
20 is filled with smoke.

21 MR. GHANEM: (Inaudible.) pollution.

22 UC OPERATOR: Yeah.

23 MR. GHANEM: (Inaudible.)

24 UC OPERATOR: Right.

25 MR. GHANEM: Very hard.

Undercover Meeting 12/8/15

39

1 UC OPERATOR: Where can you smoke?

2 MR. GHANEM: You go outside (inaudible). You
3 can't smoke in the room. It's terrible.

4 UC OPERATOR: They don't smoke in the room?

5 MR. GHANEM: Not allowed. I used (inaudible).
6 They wrote me (inaudible) outside.

7 UC OPERATOR: Wow, that's strict, huh.

8 MR. GHANEM: I'll tell you what, always third
9 world countries when they take that new regulation or they
10 do it (inaudible). I was in Ghana when the new law on
11 cigarettes came out. Man, these black people I tell them
12 guys the law is created from the ground and it goes up. It
13 doesn't go like this. I am staying always the Golden
14 Tulip. The Golden Tulip you go down in the lobby and there
15 is stairs and you go down the restaurant is there. You can
16 eat breakfast lunch whatever. Outside of that there is --
17 I think there is for people who smoke. And then there is a
18 swimming pool.

19 When the laws came out the hotel you cannot smoke
20 inside, you cannot smoke in the room. But when the laws
21 came out you cannot even smoke outside. You have to walk
22 50 meters right there and go to that, that building. There
23 is another area you can sit down. Guys don't see me
24 outside. Everywhere allow us to smoke outside.

25 UC OPERATOR: So what's the difference between

Undercover Meeting 12/8/15

40

1 the air here and air 50 meters away? Nothing.

2 MR. GHANEM: It's air, it's not controlled. The
3 air is not controlled by the government. This is
4 (inaudible). Now you (inaudible) of that.

5 You go back to rule number one. Cheap people
6 always going to be cheap. When you go to somewhere that
7 you pay some money they'll let you smoke.

8 UC OPERATOR: That's true.

9 MR. GHANEM: When you go -- I got (inaudible) no
10 smoking at all. Very tough. What I do, I go to the clean
11 room. They have all the soda drinks and it has a hole in
12 the top. I give them some money and I sit down there and
13 they bring me coffee I smoke. No problem.

14 UC OPERATOR: Well, it was kind of cold this
15 morning. It was a little cold this morning.

16 MR. GHANEM: Yeah.

17 UC OPERATOR: When I went to buy a pack of
18 cigarettes it was chilly.

19 MR. GHANEM: Where did you go, which way?

20 UC OPERATOR: That way.

21 MR. GHANEM: Oh, yeah, 24 hours.

22 UC OPERATOR: Downhill.

23 MR. GHANEM: This is not --

24 UC OPERATOR: Yeah, yeah, yeah.

25 MR. GHANEM: Why did you have to be (inaudible)?

Undercover Meeting 12/8/15

41

1 Better I go this way. I'm going this way. It's not
2 downhill. Coming back is easy to.

3 UC OPERATOR: It's easy, yeah.

4 MR. GHANEM: There's a place open 24 hours. I
5 went and I bought some water and some stuff there
6 yesterday. You like this hotel?

7 UC OPERATOR: It's nice. It's low key. Not a
8 lot of traffic. The staff is nice.

9 MR. GHANEM: I could have reserved it cheaper but
10 I sent you over (inaudible).

11 UC OPERATOR: Did you get yours for that price?

12 MR. GHANEM: What's that?

13 UC OPERATOR: Did you get yours for that price?

14 MR. GHANEM: Oh, no. (Inaudible.) How much did
15 you pay? 100 Euros?

16 UC OPERATOR: 136.

17 MR. GHANEM: That's about 100 Euros for
18 (inaudible). I didn't know which way you were reserving
19 here. I didn't want to do it (inaudible). Next time I
20 have it reserved for me and you.

21 UC OPERATOR: You got it.

22 MR. GHANEM: (Inaudible) my phone I pay. I just
23 come and check in. They take my credit card in case if I
24 have any --

25 UC OPERATOR: Incidentals.

Undercover Meeting 12/8/15

42

1 MR. GHANEM: Yeah.

2 UC OPERATOR: Man, I thought I was going to see
3 like refugees all over the city here. I don't.

4 MR. GHANEM: They're not allowed here.

5 UC OPERATOR: So they just pick them up and then
6 transport them?

7 MR. GHANEM: You don't follow the news. Don't
8 (inaudible) news. Don't be a typical Americans is naïve.
9 America is a great country. The best people and
10 (inaudible) people. There are smart people in (inaudible).

11 UC OPERATOR: Should we leave our coffee here?
12 They'll take it in. They'll take it in.

13 MR. GHANEM: I'll get it. How far is it from
14 here?

15 UC OPERATOR: About 20 minutes, 20, 25 minutes.
16 Let me make sure this guy understands the address.

17 Hello. So this is where we want to go, okay?

18 CAB DRIVER: Okay.

19 US OPERATOR: Okay. Give me one second and let
20 me finish smoking.

21 MR. GHANEM: I am (inaudible). If he will allow
22 you I will never (inaudible).

23 UC OPERATOR: No?

24 MR. GHANEM: No. But our (inaudible) and all
25 this. It's not good.

Undercover Meeting 12/8/15

43

1 UC OPERATOR: It's okay.

2 MR. GHANEM: Don't do that (inaudible). I follow
3 in your step.

4 UC OPERATOR: I'll get it, I'll get it. 1037.

5

6 UC OPERATOR: I'm good. You want to sit in the
7 front or you want --

8 MR. GHANEM: (Inaudible.)

9 UC OPERATOR: Okay.

10 MR. GHANEM: His back is (inaudible).

11 UC OPERATOR: Okay, go ahead then. If you want
12 to --

13 MR. GHANEM: No, I'll go on the other side.
14 Where did you want to sit, the front or the back?

15 UC OPERATOR: I'll go on the other side.

16 MR. GHANEM: Okay, I'll sit here.

17 UC OPERATOR: It's okay if my friend sits in the
18 front? Hold on.

19 MR. GHANEM: Okay.

20 UC OPERATOR: What I like about here is you don't
21 have to put on your seatbelt.

22 MR. GHANEM: Yeah.

23 UC OPERATOR: So how much time do you think
24 you're going to need over there, about maybe 10 minutes, 15
25 minutes?

Undercover Meeting 12/8/15

44

1 MR. GHANEM: Yeah.

2 UC OPERATOR: So I'll have him --

3 MR. GHANEM: wait for us?

4 UC OPERATOR: You can wait for -- yeah. But it's

5 an industrial area, so I don't want him to like stay in the

6 area. I'll just tell him like come back in 15 minutes.

7 MR. GHANEM: Okay.

8 UC OPERATOR: Is that good?

9 MR. GHANEM: Yeah.

10 UC OPERATOR: Traffic is worse than Bangkok.

11 Like Bangkok you have two lanes, maybe three lanes going

12 and like five, six cars next to each other fighting for,

13 you know, the advantage of getting in front of each other.

14 MR. GHANEM: And you've never been to China?

15 UC OPERATOR: Not -- I've flown on the way to

16 Thailand through China but never left the airport.

17 MR. GHANEM: (Inaudible.)

18 UC OPERATOR: No.

19 MR. GHANEM: They are very organized, very

20 organized.

21 UC OPERATOR: Yeah.

22 MR. GHANEM: Yeah. People go by the book and it

23 has two lanes. Each one has six, seven (lanes and

24 (inaudible).

25 UC OPERATOR: Where was it in China? It wasn't

Undercover Meeting 12/8/15

45

1 Beijing it was -- I can't remember the city. The air was
2 so bad when the airplane was about to land I didn't even
3 realize how low the airplane was until it hit the ground.
4 It was so much pollution. Unbelievable.

5 MR. GHANEM: Now (inaudible) the government
6 issued warning.

7 UC OPERATOR: Yeah, it's ridiculous.

8 MR. GHANEM: I didn't -- I didn't understand this
9 is (inaudible). What do they mean high pollution? What is
10 going to happen to you if you breathe the air?

11 UC OPERATOR: I don't know. I don't know. I
12 think it's the carbon monoxide count, right, in the air
13 because of the industrial -- the plants and all the
14 pollution that it creates running those machinery. I've
15 got to stop buying Chinese shit. That's one way to clean
16 the air. Funny how China became this super power in less
17 than what, 50, 60 years.

18 MR. GHANEM: How many years?

19 UC OPERATOR: 50 maybe, 60.

20 MR. GHANEM: That comes with war and just the
21 last 20 years.

22 UC OPERATOR: But opening the doors for
23 capitalist investment.

24 MR. GHANEM: Oh, (inaudible) twenty years.
25 Before that they were (inaudible).

Undercover Meeting 12/8/15

46

1 UC OPERATOR: You want to go to that meat market
2 later?
3 MR. GHANEM: Yeah.
4 UC OPERATOR: Or you want to do it later this
5 evening?
6 MR. GHANEM: This evening, whatever.
7 UC OPERATOR: Okay. So what do you want to do
8 after we come back? Let's go rest a little bit.
9 MR. GHANEM: Yeah.
10 UC OPERATOR: Okay.
11 MR. GHANEM: Rest and I have some emails to
12 answer. (
13 UC OPERATOR: Okay.
14 MR. GHANEM: You leaving tonight or tomorrow?
15 UC OPERATOR: Tomorrow. Are you planning on
16 leaving tonight or tomorrow?
17 MR. GHANEM: Tomorrow is what?
18 UC OPERATOR: Tomorrow is 9th. Today is the 8th.
19 MR. GHANEM: What day is tomorrow, tomorrow is --
20 UC OPERATOR: Tomorrow is Wednesday.
21 MR. GHANEM: Maybe I'll leave on Thursday.
22 UC OPERATOR: Thursday?
23 MR. GHANEM: Yeah. I need to -- I have some
24 meetings I want to do here, but I'm delaying it
25 (inaudible).

7 been outside of Athens or just Athens?

8 MR. GHANEM: Only Athens. You mean in the whole
9 Greece?

10 UC OPERATOR: Yeah, like sightseeing and --

11 MR. GHANEM: Oh, yeah, yeah. I've (inaudible) I
12 use to visit a lot with my ex-wife. I can -- we went all
13 over the island.

14 UC OPERATOR: Oh.

15 MR. GHANEM: I've been to Thessaloniki so many
16 times in the north.

17 UC OPERATOR: Yeah.

18 MR. GHANEM: I (inaudible). Most of the big
19 islands I visited.

20 UC OPERATOR: It's a different lifestyle, huh,
21 here?

22 MR. GHANEM: I could live it. It's a better
23 style of life.

24 UC OPERATOR: Yeah. Somebody was telling me 80
25 percent of Greek's population, Greece's population, the

Undercover Meeting 12/8/15

48

1 Greeks live either in Athens or, you know, outside of
2 Athens. 80 percent. Huge number.

3 MR. GHANEM: Well, it's the most important city.

4 UC OPERATOR: Yeah.

5 MR. GHANEM: Second one is TheSSaloniki (.

6 UC OPERATOR: Thessaloniki (phonetic).

7 MR. GHANEM: Yeah.

8 UC OPERATOR: Did you visit Greece around the
9 Olympics back in 2004?

10 MR. GHANEM: I (inaudible) before and after.

11 UC OPERATOR: Yeah.

12 (Background noise)

13 UC OPERATOR: Can you meet me in 15 minutes?

14 Yeah, come back and Crown Plaza. Okay?

16 MR. GHANEM: Oh, yeah. (Inaudible.)

17 UC OPERATOR: Watch out, watch out, watch out.

18 MR. GHANEM: (Inaudible.)

19 UC OPERATOR: It wasn't that bad, right, 15
20 minutes?

21 MR. GHANEM: I think.

22 UNKNOWN MALE: (Inaudible.)

23 UC OPERATOR: Good morning. How are you?

24 UNKNOWN MALE: Fine.

25 UC OPERATOR: My friend. Do you have the cutter?

Undercover Meeting 12/8/15

49

1 UNKNOWN MALE: I have the (inaudible)?
2 UC OPERATOR: Yeah, please. (Inaudible.).
3 MR. GHANEM: (Inaudible.)
4 UC OPERATOR: Container number.
5 UNKNOWN MALE: Police, don't move. Don't move.
6 (Inaudible.)
7 MR. GHANEM: (Inaudible.)
8 UNKNOWN MALE: Stand back down, down, down, down,
9 down, down. Don't move. Don't move. (Inaudible.)
10 UC OPERATOR: What's going on here?
11 MR. GHANEM: I don't know. (Inaudible.)
12 UC OPERATOR: Hey, what's going on here?
13 UNKNOWN MALE: (Inaudible.)
14 UC OPERATOR: Yeah.
15 UNKNOWN MALE: (Inaudible.)
16 UC OPERATOR: What's going on here?
17 UNKNOWN MALE: Excellent, excellent.
18 UC OPERATOR: What are you guys doing? What's
19 going on here? Huh?
20 UNKNOWN MALE: Don't talk.
21 UC OPERATOR: Hey. What are you guys doing?
